

SHOWER GLASS CLEANER CLEANING & CARE

FOR COATED SHOWER CUBICLES

By now glass shower cubicles belong into every modern bathroom. Unfortunately in most cases they only look good as long as they are new and not used. Wrong cleaners can quickly turn these into dull and mat surfaces. Especially in the very case easy-to-clean coatings the appropriate cleaning and care of the material is vital. The Cramer Shower Glass Cleaner is suitable for all glass qualities. The Cleaner gently but thoroughly removes limescale and even stubborn dirt without harming the useful coating. The dirt-repellent beading effect additionally lessens the renewed deposit of dirt and provides an enduring „clear vision“ out of either coated or uncoated shower cubicles.
