

TOUCH-UP STICK PERFECT REPAIRS

SAY GOODBYE TO SMALL BLEMISHES AND SCRATCHES IN YOUR BATHROOM

A tiny blemish in your washing basin or an ugly scratch in a tile are very annoying and always stick out like that one grey hair on your head. With our Touch-up Stick these damages can easily be removed. The Stick is especially suitable for ceramic, enamel, acrylic, metal and powder-coated or painted surfaces. Your customers will no longer grow grey hair because of these blemishes.
